MEMORANDUM FOR: Chairman, Administrative-Technician Advisory Panel

SUBJECT : Reply to Your Memorandum, dated 3 January 1958,
Subject: Recommendations of Administrative-
Technician Advisory Panel

1. Following the discussion at the 15 January 1958 Medical Staff Career Service Board meeting between the Administrative-Technician Advisory Panel and the board, I requested that a statement of policy be drafted in response to the recommendation contained in paragraph 1a of your memorandum. A copy of this statement of policy, in the form of recommendations which have been reviewed by members of the board and approved by me, is attached.

2. It is the opinion of the board, as you were informed at the 15 January meeting, that the other recommendations contained in your memorandum are more properly matters of command, and although I may be in agreement with many of these recommendations, they should be submitted through normal command channels.

3. Your interest and efforts in submitting your memorandum are appreciated. I encourage you to continue this practice. I assure you that the board and I are always available for discussion of appropriate matters.

JOHN R. TIETJEN, M.D.
Chief, Medical Staff
